

Digital Slim Totem

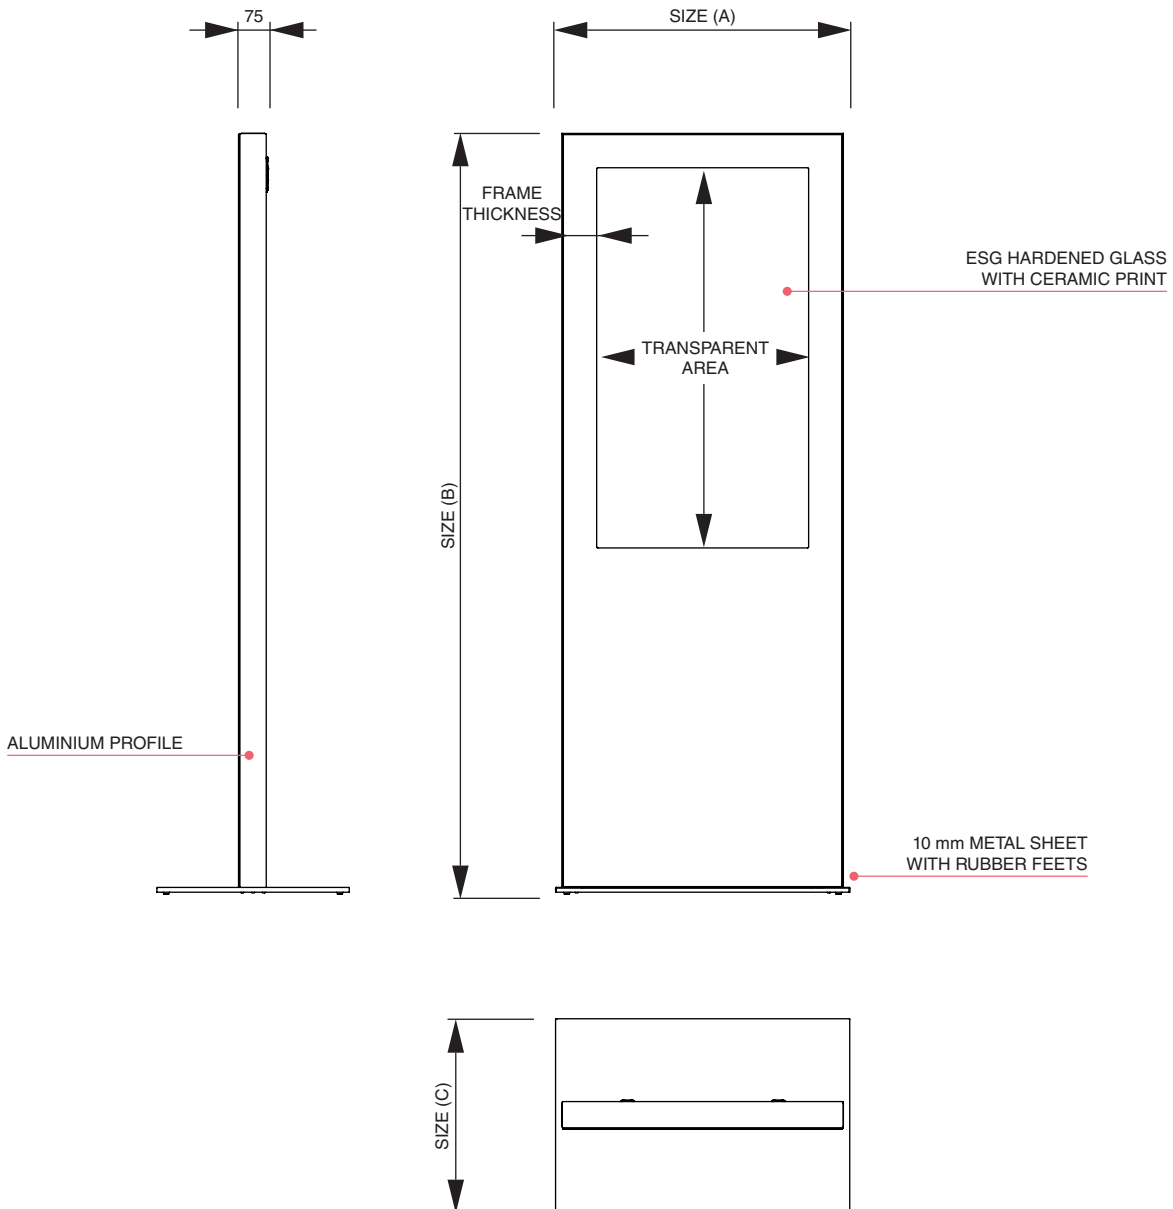

Digital Signage | Screen Covers

- Extremely hard eloxated frame, thin aluminium construction profile
- Front side made of toughened glass that protects the screen
- Secure with 2 locks
- Universal and simple mount for various types of screens - standard screen sizes from 43" to 55"
- Connection to the ethernet network using RJ-45 connector, on request possible to supply the device with wifi connection or 3G/LTE modem
- Can be supplied with a LED backlit poster instead of the screen
- Production in RAL colors possible on request
- Maximal depth of the monitor 50mm
- Touch foils can be applied on front glass to provide touch functionality or steel front side for touch screen
