

Digital Wall Panel

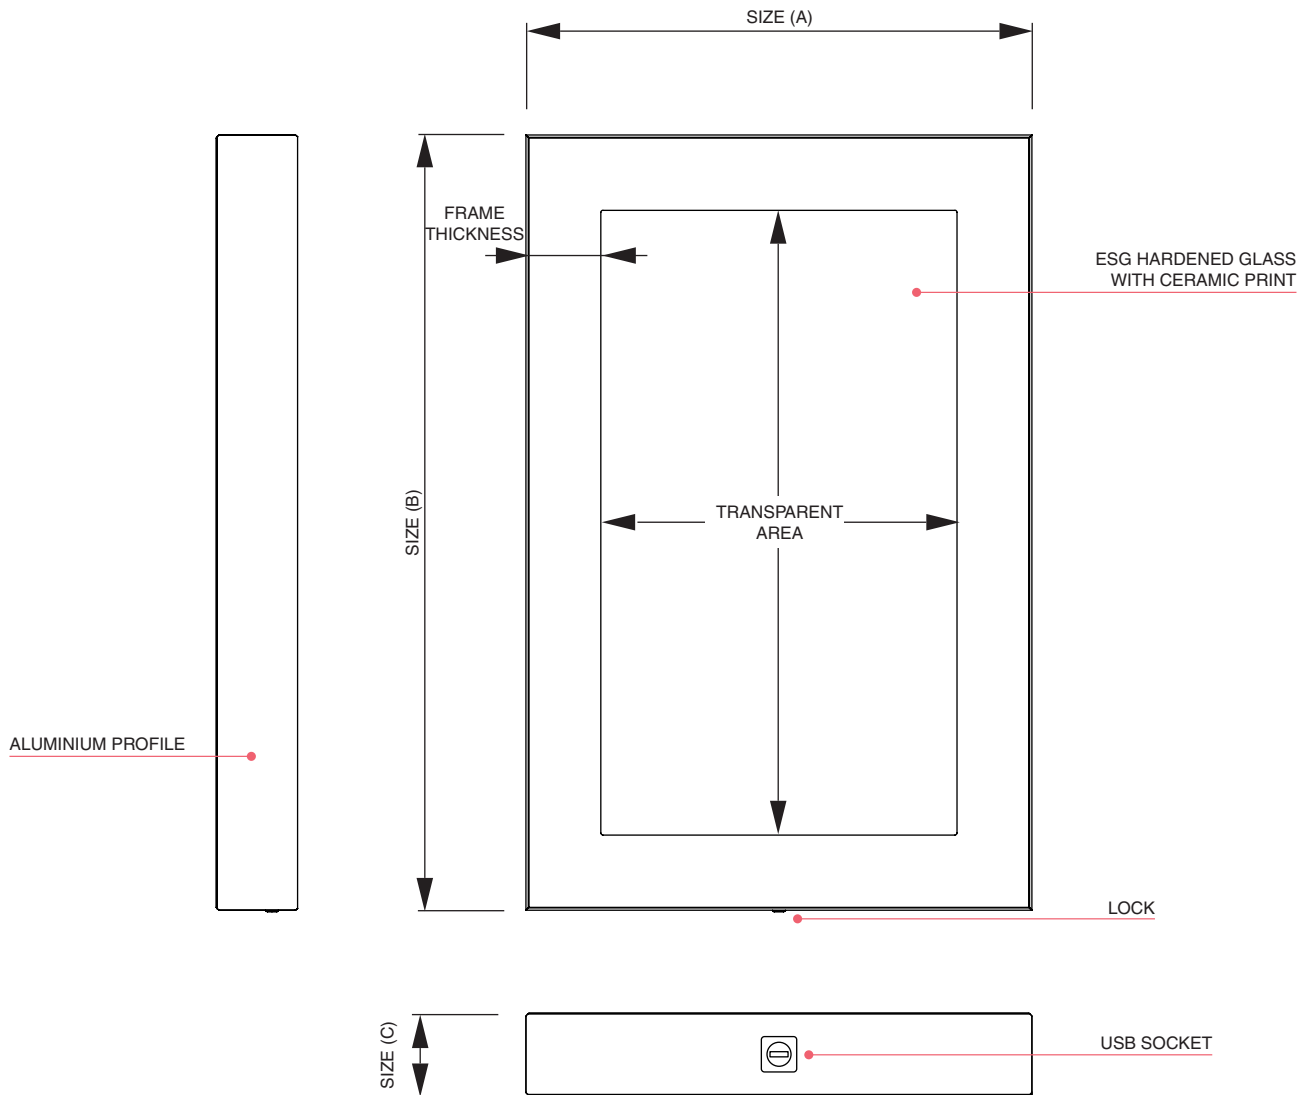

Digital Signage | Screen Covers

- Information panel in restaurants, hotels, public and commercial environments
- Universal and simple mount for various types of screens - standard screen sizes 22" up to 85"
- Front of the Wall Panel is made of high tempered safety glass to protect your screen from vandalism
- There are two alternatives of wall panels - for horizontal/landscape orientation and vertical/portrait orientation
- Secure with lock
- There are ventilation holes on top and bottom side profiles to enable cooling via chimney effect. Additional fans at the bottom can be added as option
- Wall Panel can be installed in environments with ambient temperatures ranging from 5 - 40 °C
- Simple to Install - attach support frame to the wall, fit the screen to the holder using the VESA mount, place the holder onto the frame and lift on the front cover
- Touch foils can be applied on front glass to provide touch functionality or steel front side for touch screen
- There is enough space for external player/PC for sizes 49" and larger
